YEAR 3/4 BOYS FOOTBALL

The Year 3/4 boys football took place on a Monday where we played 2 matches, 1 against Osbaldwick and 1 against Skelton. We played at Osbaldwick School. We won both games! In the first game, we won 3-1 against Osbaldwick. Devon scored 1 goal and Rafe scored 2.

Here is a quote from Rafe:
"It felt good playing in the match because it was a bit like Fifa where we carry on playing right to the sides of the pitch. I also liked scoring against Osbaldwick because Devon tied the game 1-1 and then I helped us to get 2 up by scoring. In the second game, we won 1-0 and Harry G scored both of the goals.

CROSS COUNTRY

A big congratulations to everyone who took part, you all did amazing. Now we have an interview from Nattida:

What was your strategy?

I started slow and got faster, the less distance left.

How did you feel when you won?

I felt overjoyed when I won!

Were you nervous before the race?

I was quite nervous but I felt more confident when I was running.

Good luck to everyone going to the final!

Thank you for reading! Keep your eyes peeled for the next Sports News where will have reports of more girls football and a Year 5/6 boys match.
