

ESCRICK CE PRIMARY SCHOOL NEWSLETTER 2

9th September 2024

Dear Parents and Carers,

Last week at school we revisited our school rules to link with the new behaviour policy that was implemented last year. The children have agreed that the following 3 words are key to ensuring that all children can flourish here in our school.

READY, RESPECTFUL AND SAFE

READY- in your learning

- We arrive to school on time
- We have the correct uniform and PE Kit
- We have our equipment ready at the start of lessons
- We show that we are ready/ motivated to listen and learn
- We have a positive attitude and celebrate achievements

RESPECTFUL - in your relationships and the environment

- We listen when others are speaking
- We treat others as you would want to be treated
 - We respect our school and belonging
 - We embrace diversity/differences
- We respect that some people may need different strategies to manage their feelings and be ready to learn
 - Respect others' right to learn and for learning
- We respect the school rules, consequences system and the laws of society

SAFE - in your choices and actions

- We move around all areas of school safely including: classrooms, forest school, field, corridors, playground and school hall
 - We follow instructions to keep ourselves safe
 - We use equipment safely
- We stay safe online and understand how to say safe in our community and society
- We allow others to play and learn free from unkindness/disruption and bullying

FOREST SCHOOL SESSIONS – This year the children will have their forest school lessons once a fortnight over the course of the full school year (approx. 18 sessions each) so they all have equal access to the forest school learning and experiences. We are lucky to have forest school facilities on our school grounds and we value and appreciate the specialist teaching the children receive from Ruth and Kirsty in their lessons. The children thoroughly enjoy their learning and the plethora of skills taught in forest school is valuable and enriching for all. We would like to kindly ask for a £10 voluntary donation per child to cover the costs of the materials used for forest lessons this academic year. Please see the link on school money should you wish to donate, thank you very much for your support with this.
