Our **Parents Welcome Meeting** was so well attended and I would like to extend a thank you to those who came to meet the teachers and have a look around school. It is really pleasing to see parents engage with their child's education and support school in the information sessions we hold.

Due to fire regulations we are limited to numbers so please follow the above information. Thank you.

**Enrichment Opportunities** – As a school we value the enrichment opportunities and activities that we organise to enhance children’s personal development and experiences. The children love these sessions and this week, for example, we have space workshops. Our enrichment opportunities range from workshops to trips to extra-curricular clubs. Sometimes, due to matters outside of our control these sessions are cancelled and/or re-scheduled and when this does happen we do our best to inform you in advance. If we do not let you know in advance, then please can I request that you are understanding. I am sure you would agree that the activities and opportunities our children receive are varied, regular and well received. Thank you.
