Parent Forum Meeting – Thank you to the representatives for meeting with Mr Broxup and I last week. One helpful point raised was about the timing of Celebration Assemblies. We understand that the current schedule may not be accessible for all families due to work or other commitments.

We are now exploring the possibility of changing the day and time and will inform you of this once confirmed. Any change will be introduced in the spring term.

A further point, that has been raised several times is Residential Trips. As a staff team we will be reviewing the format and cost of our annual residential trip. We are conscious of the increasing financial pressures on families and want to ensure that these valuable experiences remain achievable for all. A survey will be issued in the coming weeks to help guide our planning and decision making. Your feedback will be vital in shaping future trips that balance enrichments and affordability.

Thank you for your continued support and for helping us make our school community more inclusive and accessible.

PTA meeting – the PTA AGM will be held on Monday 13th October at the Escrick and Deighton Club from 8pm. Everyone is welcome and this is an opportunity for you to support your child's school and experiences, help raise funds for exciting projects and school resources and also meet other parents/carers.
