Since November, both Daisy and Albert have been taking part in the selection process to represent North Yorkshire in the U11 Sportshall Athletics team. They have attended several sessions and worked hard to earn places in sprint, field, and relay events. This process concluded last week, when both were selected from a very large pool of competitors.

They have shown great determination in representing their county and will attend the final inter-county event in Catterick on 15th March 2026. Only 11 girls and 11 boys from across the county were selected, so it is wonderful to see two children from the same class chosen after such a competitive process.
